

Investment and Goals by SCHOOL

Provide additional detail about the plan in the chart by school for each Opportunity Funding investment with its associated cost and proposed impact. These charts should be copied and completed for each school receiving funds. *For each investment, include baseline data and numeric targets to measure impact. A state budget sheet will be completed by the district/charter after the plan has been approved.*

Partial funding for our School Social Worker (Salary & OECs)	79,166.73	Our School Social Worker is an integral part of our mental health team. She supports all of our students while she also has a caseload she supports on a more frequent basis. 81.65% of the students at EastSide are low-income families and though our social worker does not solely focus on this group of students her annual caseload is mostly if not completely made up of low-income students. Her caseload changes each year based on the needs of our students as she looks to support those who need her most. In her role, our Social Worker helps implement the School's MTSS plan as well as working in conjunction with the entire Mental Health team to ensure fidelity.	<input checked="" type="checkbox"/>	60,858.68
